

George Brooks and Kala Ramnath in concert!

Global Conversation

Global Conversation performs the music of Kala Ramnath and George Brooks, two of the finest of a new generation of artists committed to uniting the worlds of Indian classical and western improvised music.

"If Mozart had been transported to the South Asian subcontinent this is what he and improvised Western classical music might have sounded like. The comparison is not thrown in to befuddle or impress. Kala Ramnath is a musician of giant - like qualities."
